

# 2019 – Sustainable Transport eVent

Crawley Town FC – 19<sup>th</sup> June 2019

Start at 10 :15

*Sponsored and supported by:*

THE SUSSEX ECO  
GRANTS SCHEME

# Sustainable Transport eVent

The Sustainable Transport eVent has been provided through the Defra (Air Quality Grant) funded “Sussex ECO Grant Scheme” project. The project provides FREE energy and transport audits plus ECO driver training. The project also links into current grants for energy saving and emissions reduction technology. The project and grants are available to small businesses across Sussex. Visit [www.sussexecogrants.org.uk/](http://www.sussexecogrants.org.uk/) for more information.

The eVent has been sponsored by:

- Sussex local authorities – Defra (AQ grant) – Gatwick Airport – Manor Royal Business District – Crawley BC

The eVent has been supported by:

- Sussex Air - Low Carbon Vehicle Partnership - GRIDSERVE - Bluecity - Gatwick Airport – Metrobus/Go Ahead - Renault – Tesla – Phlorum – Evans Cycles –Active Cycling Projects

# Sustainable Transport eVent objectives

## Today:

The seminar and exhibition will focus on “Sustainable Transport for Future Business – Now”, discussing and demonstrating the business case for zero-emission transport modes today!

## Tomorrow:

It's National Clean Air Day and the eVent supports the key objectives of the 2019 Clean Air Day to raise awareness and provide solutions to drive down emissions with cleaner fleets and more sustainable transport options.

Visit: [www.cleanairday.org.uk](http://www.cleanairday.org.uk)

**What can fleet operators do to cut air pollution?**

### CLEAN VAN COMMITMENT

Fleets all over the UK are pledging to switch to zero emission vehicles by 2028. Get your organisation to sign up now and join the growing list of organisations committed to cleaner air.
